Navigating Campus

Auburn Academy's Heart Lake Campus is organised in neighbourhoods. All buildings can be located on the basis of their neighbourhood as indicated in the building index.

The Academy operates an automated people mover system known as the Academy Rapid Transit System (ARTS) that serves stations located near key campus destinations. ARTS operates twenty-four hours a day, seven days a week, and 365 days a year, including holidays, and is free to ride. Stations are indicated on the map.

Getting to Auburn

Auburn can be reached by several modes of transport.

By MRT, the Desert and Southern Lines serve Auburn at Auburn Bergamot Station (D50–SW20), which is located just adjacent to the main entrance to the Heart Lake Campus, as well as at Auburn Airport Station (D49). By warp rail, FLR operates a service on Line R1 that stops at Auburn Bergamot Station and a service on Line R5 that stops at Auburn Airport & Plainsley Station. Ferry services by IntraSail (Line 1), the Caravacan Floaty Company (Line 6), Hummingbird Boat Lines (Line 72 Tulip), and Transneige serve Auburn Marina. Many airlines also serve Auburn Airport (ABN).

The Heart Lake Campus is easily accessible by Auburn Underground from the airport (District line) and the marina (Metropolitan line). Roundabout station on the District and Metropolitan lines as well as Bergamot station on the Metropolitan line serve the main campus. Stadium station on the Metropolitan line serves athletic facilities and Aviation station on the District line provides access to the Lake Auburn Campus.
